Dear Club Member,

Usk Athletic Club New Facilities Appeal

I am writing to let you know about a new scheme we have joined. It means that we can raise lots of money for Usk Athletic Club with very little effort, and save money for ourselves at the same time!

Mobile

As I am sure you are aware we are about to embark on a substantial development programme, which will benefit all of our members from all of the sections. The annual cost of adding the facilities will be approximately £6500 per annum. We have come across a way of making money for the club which only entails you making one phone call, not only will the club benefit but you as an individual will also benefit from the ongoing savings, I have tested the system myself by transferring my gas and electricity I have made savings and the club is benefitting to a tune of approx£150 per annum so 43 members joining will pay for the new facilities. This really is a win situation.

Internet

The scheme is run by the Utility Warehouse Discount Club, which is part of Telecom *plus* PLC, one of the UK's leading public companies. They provide over 200,000 UK homes and businesses with everyday utilities, like phone, Internet, mobile phone, electricity and gas. They guarantee to save you money on these services compared to most other suppliers, and what's also great is that they put all your utilities on one clear and convenient monthly bill.

Here's how we raise money: if you join the Utility Warehouse as a customer, they will pay us up to 5% of your monthly utility bill, every month. It's as simple as that.

Joining the scheme is easy. Call the Utility Warehouse on 0800 1313000 (for free) and they will talk you through the process. You'll need to give them our appeal number – **C91835** – to make sure your donation comes to us. Then they take care of everything.

Electricity

Nothing changes at your home – you get the same gas and electricity in the same pipes and wires – but you'll be raising money for us whenever you use the phone, or make a cup of tea! And you'll be saving money at the same time!

This is a really great scheme, which I hope you will join. It could make a huge difference to Usk Athletic Club New Facilities Appeal So please call **0800 1313000** today.

Thank you.

Gas

Nigel Webb
Chairman Usk Athletic Club.

PS – the Utility Warehouse will not tie you in to a minimum term contract (except for some mobile phones) – so if you're not happy, you can leave at any time.
